

Custom Facials

\$90

60 minute - All Skin Types Our skin is a vital organ, which responds to our body's overall well-being. This facial provides customized analysis of your unique skin type and concerns. Our skilled estheticians will provide you with a better understanding of your skin and the special care and products it may need to encourage your one-of-a-kind skin care health.

Ultimate Detox Facial **\$100**

75 minute - Acne/Oily Skin This facial uses a blend of volcanic ash and China clay, two of nature's most powerful detoxifiers, to get your problem skin under control. This treatment will immediately address current breakouts and discourage future breakouts. For added results, a potent combination of enzymes, sulfur and probiotics are used to further reduce acne. This facial ends with a soothing blend of lavender, mandarin, rosemary, sage, licorice and noni fruit, leaving your skin revitalized and smooth. Acne away today!

Manicure

\$25

Your nails will be trimmed, shaped, buffed. Your hands and cuticles will be conditioned and softened with hand and arm massage. Followed with a hot towel wrap and then your favorite nail lacquer.

Express Manicure

\$20

For guests who are short on time, this will leave your nails trimmed, shaped, buffed, and perfectly polished.

Spa Pedicure

\$40

We start with a Smart Spa Cool anti-bacterial spray and a thorough, effervescent soak to soften and sanitize your nails and cuticles. We follow with reshaping and cleaning of nails, cuticle grooming, callus treatment, exfoliating scrub, followed with a hot towel wrap and then finished with your favorite nail lacquer.

Express Pedicure

\$32

In a hurry? This is a spa pedicure without hot towel and massage.

The Signature Pedicure

\$50

The Spa Pedicure plus super-hydrating mask that softens, rejuvenates, and brightens skin to a glowing and youthful appearance. Extra massage on lower legs.

Hot Stone Pedicure

\$60

A Signature Pedi plus combination of the heat from the stones, the essential oils, and the soothing massage action of stones and oils produces a deep and penetrating state of relaxation and well being for you.
